

## Help the Stanton Lions Help our Community

---

The Stanton Lions help people in our community who cannot afford glasses, hearing aids, and we sponsor young people to participate in after school programs such as sports and scouting

# Stanton Lions Club Helping our Community.

## **Eyeglass Program**

The Stanton Lions Club offers free eyeglasses to residents of Stanton. To qualify, a person must have a low income or low

family income; and no other source of insurance that would pay for Eyeglasses. We

work with the School Districts and the Boys and Girls Club of Stanton to make sure every school aged child in our community has the eye care they need to succeed in school. We also provide glasses for adults. Download a one page application from our website [www.StantonLions.org](http://www.StantonLions.org) or fill out send in the information card on this brochure.

## **Youth Activities**

For over 65 years the Stanton Lions have been supporting youth. We even built a Lion Stock Park with baseball fields and a clubhouse.

Today we sponsor children from lower income families.

They can fill out a simple application, and we will pay all or part of the cost of an after-school program

including Little League Baseball, Football and Scouting. Applications are available on our website [StantonLions.org](http://StantonLions.org) or by filling out the information card on this brochure.

## **Hearing Aids**

We offer free or low cost hearing aids through our partners in various Lions Organizations including the Lions 4L4 Hearing Aid Bank and the Lions Sight and Hearing Foundation.

Hearing aids are re-conditioned Behind the Ear models which are custom fit and adjusted for each patient. Qualification is based on family income. We have an application for the *175 Program* at [StantonLions.org](http://StantonLions.org). You can also fill out the information card on this Brochure.
